

## **Hierarchy of Hierarchies**

Cut out the following 10 hierarchies (or examples/sets of hierarchies) and arrange/paste them into a hierarchy on the following page.

### **Information-based Hierarchy**

(i.e. library classification)

### **City planning-based Hierarchies**

(i.e. roads, settlements)

### **Linguistics-based Hierarchies**

(i.e. language family tree, structural linguistics)

### **Power- or Authority-based Hierarchies**

(i.e. aristocratic, ecclesiastical, administrative, political, social)

### **Value-based Hierarchies**

(i.e. art genres, evidence, human needs, precious substances)

### **Perception-based Hierarchy**

(the colour wheel (i.e. primary, secondary, tertiary, etc. colours))

### **History-based Hierarchies**

(i.e. the three-age system, cyclic theory of civilization, spiral dynamics)

### **Science-based Hierarchies**

(i.e. hierarchies of organization within the Omniverse, Multiverse and Universe, orders of magnitude, energy quality, star systems, biological classification, phylogenic tree, evolutionary development)

### **Technology-based Hierarchies**

(i.e. clusters, class constructs, data organization, data storage, devices, IP addresses, memory, networks, radio cells, states, data structure)

### **Religion- and Mythology-based Hierarchies**

(i.e. levels of consciousness, levels of spiritual development, ages in the evolution of society, degrees of communion between Christian churches, UFO religions, deities, angels, devils and demons, Hells)
